“Clayt” Does It Again

“Clayt” Hodgson Carries The Highlands With Big Majority

Clayton W. Hodgson will again represent the Haliburton Highlands when parliament again sits.

Clayton conducted a vigorous but very clean campaign and the people knowing him as an aggressive hard working representative of all the people in the riding, turned out on election day and voiced their approval of him in no uncertain manner for they piled up a record majority of 1042 in his favor in the county.

The Echo extends hearty congratulations to Clayton.

—Portrait, Bright's Studio, Lindsay.

What DYSART COUNCIL Did

A meeting of the Dysart Municipal Council was held on Friday evening last.

Accounts no. 707—816 amounting to \$9,500.00 were approved.

It was decided to write a letter to the Hydro Electric Power Commission in Toronto urging that construction be started of a service line to subscribers on Haliburton Lake at the earliest date possible.

A motion was passed that Lot 26 on Blk X Dysart be advertised for sale by tender.

Council decided to ask Edwin Hodgins to return his Taxi license immediately and his unexpired portion of license fee would be refunded.

A Prayer

This is a prayer said to have been found in Lancashire, England, on the wall of an old Inn:

Give us, Lord, a bit o' sun,
A bit o' work and a bit o' fun
Give us all, in the struggle
and splutter,
Our daily bread and a bit o' butter;
Give us health, our keep to make,
An' a bit to spare for poor folks' sake.
Give us sense, for we're some of us duffers,
An' a heart to feel for all that suffers.
Give us, too, a bit of song,
An' a tale, and a book to help us along,
An' give us our share o' sorrow's lesson
That we may prove how grief's a blessing.
Give us, Lord, a chance to be
Our goodly best, brave, wise and free,
Our goodly best for ourself and others,
Till all men learn to live as brothers.

Haliburton At A Glance

We learn that the erection of new municipal offices for Dysart Township is a matter that is receiving serious consideration. The present office space is much too small to meet the demands of ever increasing municipal affairs.

More space is also required to provide suitable storage room for municipal records.

While we hate to admit it there are quite a number of mean people in our locality. On Sunday evening last Jack Neville left his truck parked at Paradise Lodge while he went with some friends to attend the midnight show in Haliburton. On returning from the show he started off for home but before he had gone far he began to have mechanical trouble when looking for the root of the trouble it was discovered that the gas tank had been filled with sand, glass and pine combs. The truck had to be towed home.

Kinmount Man Convicted On Driving Count

A Kinmount man was convicted in Police court on Friday of careless driving by Magistrate Gee. He was fined \$10 and \$25 costs.

Accused's light truck was involved in a collision on highway No. 35, south of Powels Corners on July 7th. The second vehicle involved was driven by a Toronto man.

According to the Toronto man, he was driving toward Lindsay when he saw accused's truck coming toward him on his side of the road. He said he attempted to swing to the left to pass the truck, when accused swerved back towards witness' side of the road, causing a collision near the centre of the highway.

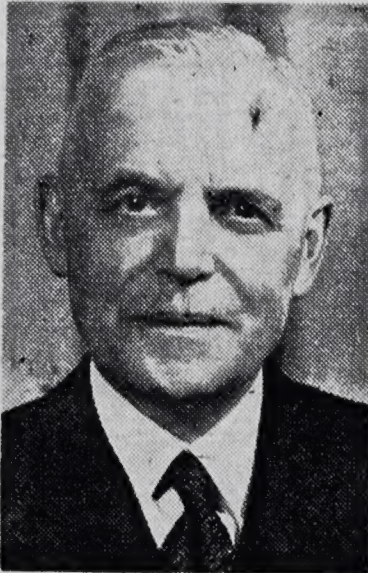

Accused claimed that he had noticed the Toronto man's car on his side of the road and could not avoid collision.

Magistrate Gee accepted the Toronto man's story in the light of evidence presented by OPP Constable George Mounstevan, of Lindsay.

A Sidewalk For You

A new sidewalk is being constructed from the residence of John Whitfield to the first crossing. The municipal council should be highly commended for taking this step and it is to be hoped that everyone who must travel in this direction on foot will use this sidewalk as walking along the highway is a mighty dangerous practice.

Leads Party To Victory

Minden Rotary Stage Huge Parade

Minden — The largest and most colorful parade ever held in Minden took place on Wednesday night for the opening of the Annual Rotary Carnival. Merchants, Lodges and various business establishments entered many novel and original floats.

The parade headed by Minden's fire truck and the

combined Minden - Haliburton Bands and a clown band from Cannington was nearly a mile in length. A large crowd thronged the town to view the colorful spectacle.

The winners of the best floats were: Hospitality Inn and Mistikoska Lodge & for the most original floats: Ogopogo Lodge and Matabanick Inn.

Legion Carnival August 27th

The Haliburton Branch of the Canadian Legion are holding their Annual Carnival and Draw on Thursday evening, August the 27th. This years Legion event promises to be bigger and better than ever. Last year as you will remember one of the main attractions of the Carnival was a parachute jump into head lake. This year the Legion are lining up another big attraction that will be held outside.

The Carnival itself will be staged in the Haliburton Community Arena with bingo, games, refreshments and other things that go to make up a great night of fun and entertainment.

In speaking with Legion officials today, they reported

to the Echo that they are lining up a great stage show and will advertise it as soon as the final arrangements have been made.

At the conclusion of the evening the lucky draw will be made for the 1953 Chevrolet sedan. Tickets are selling for \$5.00 and only 700 of these tickets will be sold. It is not too late to get your ticket on this beautiful car but they are going fast and don't be one of those who may miss out when all the tickets are gone. Buy your ticket now & keep the night of Thursday August the 27th open for the Haliburton Legion Carnival and Draw.

Help the Veterans of Branch No. 129.

Return Engagement

Minden — The W W V A radio and stage show from Wheeling West Virginia was such a success the last time that they appeared here that they are returning with a bigger and better show for your enjoyment on Friday, August 21st.

This time they will have Big Slim and his wife in some thrilling acts and will also have their beautiful Palamino trained Stallion "Golden Flash", and "Piccolo Pete" a comedy trained mule.

It will be a great show — Don't miss it.

Fire Damages Donald Home

Haliburton — Our fire department was called to Donald on Friday last to quell a fire that had broken out in the home of Mr. Bob Packard.

The blaze which was caused by an overheated chimney was soon brought under control, but the damage will be in the neighbourhood of \$300

We Are Taking A Holiday

We wish to inform our advertisers and subscribers that there will be no issue of the Echo on the week of August 24th.

Our office and plant will be closed from August 24 to August 31, in order that we may have a week's holidays.

GELERT

EDITORIAL

For The Welfare Of All

Mr. and Mrs. Citizen of Haliburton County:—

Would you like to see your business or work flourish and would you like to see your community and your county flourishing and prosperous? Of course you would, for if we are all steadily employed and have salaries and profits coming in, we are happy and healthy and a general feeling of peace, prosperity and security pervades.

In a county such as ours, with little farming, few industries and with the timber limits gradually receding, we must find other means to bolster the businesses in the county as well as strive to attract new industries.

The surest way to increase business within the boundaries of the county is to keep our money circulating in the county. Many thousands of dollars are sent out of the district each year for goods and services that could have been purchased right here. The merchant and business man in your community has an investment of thousands of dollars in a business providing you with all the necessities of life and the many items we use for our pleasures. Your merchant is your friend in need. At one time or another, we all find ourselves short of ready cash but our merchant can be relied upon to help us through our time of need, provided of course that we are honest and fulfill our obligation to him. There are however those who take this kindly service of the merchant, so little to heart that when he or she has the ready cash, they dash off to Lindsay or Huntsville to do their shopping because, — they say — we can buy so much cheaper there. These selfish foolish people forget that if it were not for the business man in the community, there would be no community. They forget, or do not think, that the merchant and business man pays the highest taxes in the community, thereby lowering their own, that they employ help, and that the more business he does the more he must expand, which requires more help and larger premises things so necessary for a prosperous town or community.

The people who drive to outside points to make their purchases are only deluding themselves if they think they are saving anything. If they would do just a little simple figuring they would find that they are the losers in money and time and their community and the county are also.

Let us suppose a citizen decides to go to Lindsay to shop. The distance from the Centre of the county to Lindsay is approximately 70 miles. As no car can be driven for less than 5c per mile and as the return trip will be 140 miles the cost of transportation alone will amount to \$7.00. At least four hours of time will be used on the trip. Now let us suppose that the average person purchases \$20.00 worth of groceries and \$20.00 worth of other goods, and that he can save about 10 per cent on his purchases, so he saves \$4.00 but it has cost him \$7.00 plus 4 hours time. Not a very good business deal.

The money that he has spent is gone for good so far as the county is concerned. Lindsay firms pay no taxes in the county, support no community or charitable organizations and do nothing to further the advancement of our county in any way.

We in Haliburton County are fortunate in having professional men and women of high caliber, good stores and services, splendid garages and service stations and several small industries. Let us all resolve to "Keep our money circulating in the Highlands. Its the life blood of the county".

You have a good chance to get back some of your dollars spent in the county. You haven't a chance when it goes out. Besides the thousands of dollars which are spent in Lindsay each year which should have been spent at home there are many more thousands sent to the mail - order houses for goods which your local merchant could have supplied from his stock or could have procured for you and in many instances the goods he could supply you with would be of a much superior quality, for mail order goods are generally made down to a price instead up to a high standard.

So — Mr. and Mrs. Haliburton County, do your bit in making the Highlands of Haliburton County a busier and more prosperous place for all its citizens, and when you are thinking of going to Lindsay or Huntsville or Peterboro to shop, think instead of the good your dollars will do in your own community, and when you pick up a mail-order catalogue, look if you must, at the pretty pictures, but see your local merchant before writing out an order.

A Warning To "Summer Cottage"

Owners

Every fall, after the cottagers return to the city, a series of break-ins occur in various parts of the Highlands and valuable property left by the cottagers is stolen. It is too bad that such articles as guns, fishing tackle, Outboard motors and other articles of value left behind to tempt dishonest persons. We strongly advise cottagers to take such articles home with them, but if they must be left at the cottage, the serial numbers of everything which has a number, should be noted and a list of the articles made in duplicate. One list could be put away in the cottage and the other taken home. Then if a break-in occurs the owner would have means of identification of the articles stolen. This would aid the police a great deal in recovering the stolen property and having a conviction registered against the footers.

We might suggest to various associations of cottagers that they bring this to the attention of their members. If things of value were removed from cottages, there would soon be very few break-ins.

Merchants and Business Men of Haliburton County

IF EVERYONE IN THE COUNTY WENT TO OUTSIDE TOWNS TO DO THEIR BUYING, HOW LONG COULD YOU SURVIVE?

WHEN YOU ADVERTISE IN LINDSAY PAPERS, YOU ARE TAKING SOME OF YOUR BUSINESS THERE.

YOU ARE DOING WHAT YOU HOPE YOUR CUSTOMERS WILL NOT DO, BUT YOU ARE SETTING THEM AN EXAMPLE.

YOU CANNOT BLAME THEM FOR DOING WHAT YOU, YOURSELF ARE DOING.

THE "ECHO" GIVES YOU THOROUGH COVERAGE OVER THE COUNTY AT LESS COST.

Wanted — A Rural Radio Station

We have always been under the impression that Canada was quite a large piece of earth extending from the Atlantic to the Pacific, a distance of some 3000 miles, but after listening to the election returns over Toronto radio stations we have come to the conclusion that our fair Canada comprises only the 18 ridings of Toronto and York.

We have for years heard the phrase "Hogtown" as applied to Toronto and paid little heed to it but after hearing the election returns, have come to the conclusion that the name "Hogtown" does not really do justice to that little dot on our great country - perhaps we should have said blot. For five hours, from 7 p.m. to 12 midnight, we listened to something like the following — "We will now give you the results in Toronto Broadview — Carroll Lib. 375, Gargrave C.C.F. 79, Hees PC. 697, Kashtan LPP 11, Sanderson Soc. Lab. 3. — I repeat, and the announcer would go over them all. Not content with on repetition, we very often heard the return repeated four times. As soon as one Toronto riding was given, another Toronto or York riding followed and each time the same procedure — "I repeat" — "I repeat". Once every half hour or so the announcer would break the continuity to announce that "so and so" in some rural riding was leading and the figures would be given once. We have decided that the announcers figured that the rural population was brighter and that once was sufficient for them to grasp the details, but that the Toronto population, being very dumb, dense and utterly stupid, they had to repeat the results several times for them to grasp them.

After listening for some time to Toronto — Toronto — Toronto & we would get disgusted and turn to another station only to find the same old Toronto bla-bla.

Our only reason for continuing to listen was to try to get the results in our own rural riding but not once during the broadcast did we hear it mentioned.

How much longer must the rural population of Ontario be forced to listen to what Toronto Radio stations give us in the line of Radio programmes. It's time that a powerful station came on the air to serve the rural districts, free from Hogtown Toronto.

Mr. Bob Turnbull of Globe and Mail fame accompanied by his wife and family spent the weekend with Mr. and Mrs. John Boyd at Gull Lake.

Mr. and Mrs. Laurie Smith spent the weekend with Mr. and Mrs. Art Noice.

Miss Ida Noice accompanied them to Toronto Sunday evening. She expects to return the end of the week.

Miss Christine McLean of Toronto and her mother Mrs. McLean of Winnipeg are at Tallpines for their vacations.

Mr. and Mrs. Steve Harrison and Doreen motored to Oshawa last Friday.

Rev. and Mrs. John Conybeare are the guests of Mr. and Mrs. Harry Easton.

Rev. & Mrs. T. Northcote and family are at their cottage on Mountain Lake.

Mrs. N. Clark was in town last Wednesday.

Mr. & Mrs. Kenneth Duke of Buffalo are at Cox's cabins for a week.

Mr. and Mrs. John Parker and family of Highland Creek left Saturday after a delightful week with relatives and friends.

Mr. & Mrs. James Simone and family are visiting Mr. and Mrs. J. Dollo.

Honourable Mention:
Harold Morgan (the voice of Minden) for his effort on behalf of the Recreation Centre and the Rotary club.

Mr. and Mrs. Frank Kell were Sunday guests of Dr. Agnes Jamieson.

We are pleased to report Walter Welch is showing a marked improvement.

Ann Szammers, Beverley Johnston and Lorna Myles spent Sunday in Peterboro.

Mrs. A. Duncan was a week end visitor in Cobourg.

Mr. and Mrs. Roy Patterson and family of Toronto are visiting Mr. and Mrs. A. Duncan.

Mrs. Floyd Millar, Mr. and Mrs. Ed. Lyle left Monday on a motor trip to B.C. while there they expect to visit Mr. and Mrs. Garnet Coulter at Campbell River.

Rev. and Mrs. E. Irwin and Miss Pat are at their cottage on Boskung Lake.

Mr. and Mrs. Jack Mac Arthur and David were in town for the weekend.

From Friday until Monday morning six accidents were reported to the Minden detachment O.P.P. for investigation. Two persons required medical attention. A nine yr. old child was taken to Ross Memorial Hospital in Lindsay for fracture. Several persons had narrow escapes from damaged cars. Property damage was extensive in all cases.

Last Saturday two visitors were reported lost in the bush near Tory Hill. They entered bush 9 a.m. and were not located 7 p.m. Several minor cottage break-ins were reported. One Outboard motor stolen.

Mr. and Mrs. Don Campbell were in Peterboro for the weekend.

Mr. and Mrs. "Mac" Mc Carey and family are away on holidays.

Mary - Ellen James has received her coronation spoon. It is plain in design with a crown on the handle — Engraved on the back: June 2, 1953 from the Governor General.

Mr. Denzil Cox accompanied by his mother drove to Wesslemkoon for the weekend. Mrs. D. Cox and Gerald returned with them.

To the Echo we say "thank you".

We asked for fine weather & we received it. We asked that something be done about the blackbirds and presto. There were no more black birds.

Ontario Hotels spend \$6,385,369 a year for New Equipment and Renovations

The Hotels of Ontario have a policy of providing guests with the best type of service and accommodation. This year they will spend more than six million dollars for new equipment and renovation. These millions of dollars will be distributed among the suppliers of hotel equipment, their employees, and the builders engaged throughout Ontario. In this way the Hotels of Ontario make a great contribution to the welfare of business and industry in many Ontario communities.

And the money spent on new equipment and renovation means better accommodation and a more pleasing atmosphere for Ontario hotel guests.

8 p.m.—Prayer and Bible Study.

Who Are "They"

Our world is filled with "They" each day. "They" stand before us, holding sway. "They" are the ones that count today. But who they are, I cannot say.

'Tis "They" who seem to hold the ball. We must not fumble it at all. The earth resounds to "They" it's so. But who "They" are I'd like to know?

"They" say we can't do this or that. "They" say the party's kind of flat. But who are "They"? I must repeat. Who daily tread upon our feet.

"They" say a given point is so. And beyond that we must not go. "They" strive to make us toe the line. In this life's race we must not shine.

To bolster up our ego - we have "They" before us constantly. 'Tis fact that we may rise or fall.

Few ever think of us at all.

My guess is this - When "They" hold sway. It is ourself gets in the way. Not what some other has to say. For there is no such thing as "They".

Mavis Noice.

Small Hatchet Saves Life

When Mr. W. E. Carter of Barton St. East Hamilton made the discovery that his wife had brought along a little hatchet on their vacation trip he was inclined to make light of it, but Orlin Lewis of Highland Grove in all probability owes his life to the presence of that little hatchet in the Carter car.

Mr. and Mrs. Carter and their daughter Lois Marie were travelling along the road from Bancroft to Highland Grove when they came across an elderly couple whose car had slipped off the soft shoulders of the road in a few minutes. Orlin Lewis of Highland Grove came along with a tractor but was unable to help because no chain was available. After driving in the Carter car to a farm house and securing a chain the tractor soon had the elderly couple and their car out of their difficulties & on their way. As the road at this spot is a little narrow, the Carters drove a short distance to where there was a place suitable to permit the tractor to pass. After waiting for some time the tractor did not make its appearance so the Carters went to investigate and found that the tractor had rolled over and Lewis was pinned underneath with his knees jammed against his chest, in a manner that prevented him from speaking above a whisper. It was evident that something must be done and done soon. Lois who is only 13, struck down the road for aid as no traffic or farm house were near. It was noticed that the hand of Lewis was jammed in a root of a tree and that prevented him from being freed from his perilous position, just then the Carters thought of the little hatchet and soon had the root chopped away and were able to drag Lewis from under the tractor. On their way back to Highland Grove they caught up with Lois Marie who had gone the distance of a mile and a half.

Mrs. Carter feels that cars should at least carry a small axe or hatchet as one never knows when they will come in handy.

Eternity Promised As Witnesses End Visit

Leader of Jehovah's
Witnesses Gives Huge Crowd
Hope For Survival At
Armageddon

BY MILTON BRACKER

July 27 — The eight - day New World Society Assembly of Jehovah's Witnesses closed shortly before dusk yesterday, with a vast throng from many lands listening quietly to its leader's portrayal of Armageddon—"the war of the great day of God Almighty" — on which the forces of evil are to be destroyed.

A record crowd of 91,562—including more than 6,000 persons sitting on the outfield grass—jammed the Yankee Stadium for the concluding address by Nathan H. Knorr, President of the Watch-Tower Bible and Tract Society, the governing body of the Witnesses. In addition 25,250 listened in overflow areas near the ball park and 49,027 heard a direct broadcast to the group's own trailer camp at New Market, N. J.

The total 165,829, topped by more than 42,000 the corresponding figure at the assembly here three years ago.

Favored by the same perfect weather in which they had started their convention, the massed Witnesses made a spectacular sight.

Probably the most impressive moment came when the left and right field bullpen entrances, and the center field bleacher gates, were opened at 3:30 p. m. for standees to flood the vast outfield. What had been a bright expanse of green was soon covered with a kaleidoscopic pattern of dresses, sport shirts and parasols. The Witnesses in the stands applauded proudly as their marching brethren completed the transformation of the scene.

Promise after Armageddon

In his one-hour speech, Mr. Knorr sounded a note long associated with his predecessor, Judge Joseph F. Rutherford, when he declared that a "great crowd of people of good will living today" would survive the catastrophe of Armageddon. He said they would "enter the world of new heavens and new earth without going down into the grave or ever afterward having the need to die".

Earlier, Fred W. Franz, vice president of the society, had declared that the group could not co-operate with any movement seeking to get such national governments to cease war "in the name of Christianity" and could not support the disarmament resolution of the United Nations. Such resolutions, Mr. Franz said, were for limitations on armament rather than its total elimination and would never, short of Armageddon, bring true peace.

Praise by Police Captain

During the day, Police Capt. Albert Dunn of Traffic H, who had a maximum of eighty men around the stadium, complimented the Witnesses on their orderliness and efficiency. Rearranged white numbers, set up across the infield, gave the world membership of the organization as 510,228 in 143 countries.

John O. Groh, convention "servant"—in charge of arrangements—described the big meeting in statistical terms.

Its tent kitchens, he said served 100,000 pounds of beef in all, and 7,000 pounds of turkey for yesterday's dinner alone; 580,000 hot dogs were dispensed, 500,000 portions of ice cream, 375,000 containers of milk and 53,200 pies. The 1950 record of 300,000 meals had been raised to 450,000, Mr. Groh added, and both times there was not one belly ache.

WEST GUILFORD

Mrs. Carm Sawyer informs us that the descendants of the late Isaac Boice and the late William Cooper will hold their family reunion on her farm on the foot of Grass Lake (the old W. Boice home stead) on the 23rd of August. This reunion being held on a Sunday should make it possible for a large gathering of the Boice - Cooper Clan from far and near.

Mr. and Mrs. Ross Pritchard were hosts to Mr. Earl Hull and son Gary of Toronto last week.

Miss Gayla Pritchard entertained a few friends at her home Sunday evening among those present were Miss Ruth Dixon, Mr. John Kernohan & Mr. Don Webb from London. Mr. Clayton Hodgson held a meeting for Conservatives, in the school auditorium on Friday.

The children of West Guilford gathered in the school grounds for the annual Sunday school picnic on Saturday. The usual pleasant succession of games visiting and lunch lent a festive air to West Guilford's corners for the afternoon.

Mr. and Mrs. Fred Barnum of Beansville are spending the weekend with Gordon Griffin in Haliburton and renewing acquaintances with old friends there.

Miss Jean Plourde has returned home from a visit with her grandmother in Owen Sound.

Mrs. Ellis Smith and family are visiting relatives in West Guilford this week.

Mr. and Mrs. Richard Edwards, Mr. and Mrs. Lew Griffin & children are guests of Mr. and Mrs. Earn Griffin.

Huskiest HAULERS

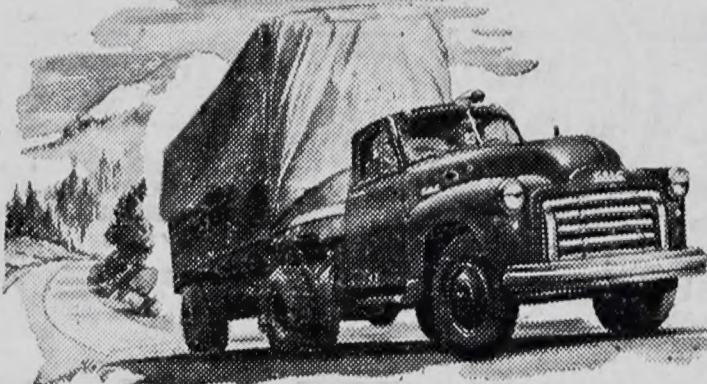

BY THE PACKAGE

Model for Model, feature for feature, GMC trucks give you more real dollar value right from the word "Go!" On city delivery jobs, for example, they can't be equalled for dependability, stamina, attractive appearance and all 'round utility. And every single model, from the smart-looking sedan delivery to the biggest heavy-duty hauler, brings you overall economy you've never known before!

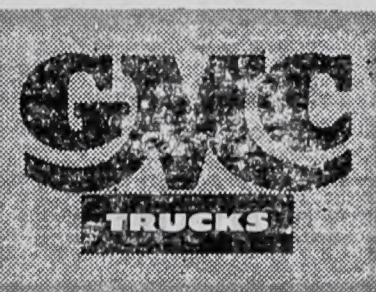

BY THE TON

Where the loads are heaviest and the going is roughest, GMC trucks can handle the really rugged jobs with ease, and come back for more. GMC pays off in load-carrying ability with deep channel section frame side rails, rugged front axles, plus a full range of rear axles and transmissions and heavy duty springs. This wide range lets you select exactly the GMC truck you want for your particular job.

BY THE MILE

For faster acceleration and greater hill-climbing ability, GMC pays off in power with a choice of four famous high-compression engines ranging from 107 h.p. to 130 h.p. The Loadmaster, the Torquemaster and the Workmaster all bring you sparkling valve-in-head performance, full-pressure lubrication and scores of other features to provide the power you need with the economy you want. For real value — see your GMC dealer!

For real value...get a real truck!
